### Arrival Instructions

Once you arrive at the airport, please check in with SuperShuttle (airport procedures vary by location, please see airport specific instructions in your email confirmation). Once you have checked in with us, you will be grouped with other passengers going in the same direction and the next available van going to your area will be sent to pick you up. (Due to security at airports, even with a reservation, we cannot have a van waiting for you at the curb. Our vans wait in nearby "holding lots" and once you have checked in with us, a van will be sent for you and the other people going in your same direction.)

Upon arrival, follow the signs to the baggage claim and collect your luggage. At the phone bank, located near the Visitor Information Center, press the "Ground Transportation" button and then the "SuperShuttle" button. Then, pick up the phone, press the "Call Now" button, and wait 5 to 6 seconds for the system to dial and connect you directly to dispatch. Your reservation can then be activated using your confirmation number or you can book a ride if you have not done so already. Dispatch will provide instructions on where to meet your Blue Van.
